

Azure Ready Assessment

Plan your cloud transformation

Pre-engagement

We start the assessment with a Pre-engagement call setting expectations of assessment delivery. Together we explore your possibilities within Azure, a wide portfolio of service that can help you in the digitalization, cost effective with innovation, availability and scalability.

Assessment session

Work with our Azure Specialists and experts to create a detailed assessment of your IT priorities, influences and initiatives.

Assessment results

Review the assessment to better understand, prioritize, and what is needed to start using Azure.

Recommendations and Next Steps

A collaborative session to examine your strategy, recommended initiatives, and tactical next steps with our specialists and experts.

Azure migration and configuration*

With prioritization and roadmap from the assessment, our experts help you to implement and configure the Azure cloud to meet your needs.
