

SMS AERO 3D MEDI

Elegant and clever wall stand with Drag&Drop for medium-sized screens

SMS Aero 3D MEDI is a new line of wall stands for medium-sized screens based upon our successful SMS Aero 3D Light. The clever and elegant three-dimensional arm makes it possible for the screen to be positioned near the wall and extended to the desired position when needed. With the stepless Drag&Drop feature the screen can be turned and angled in almost any way. Just adjust and let go and you'll have the best angle.

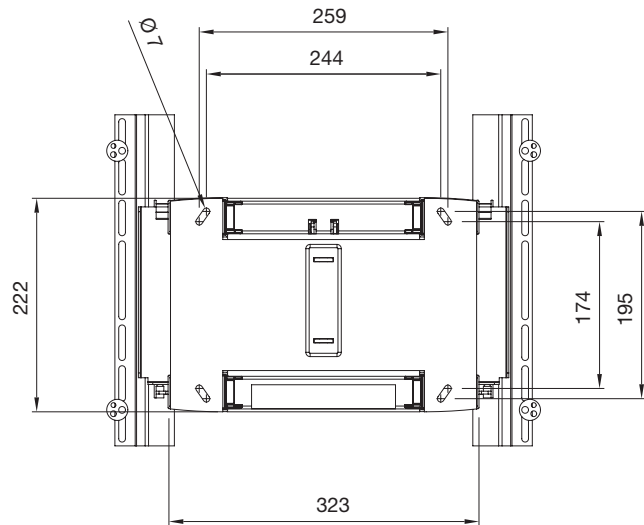

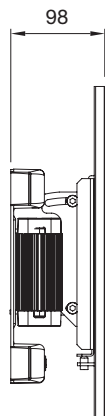

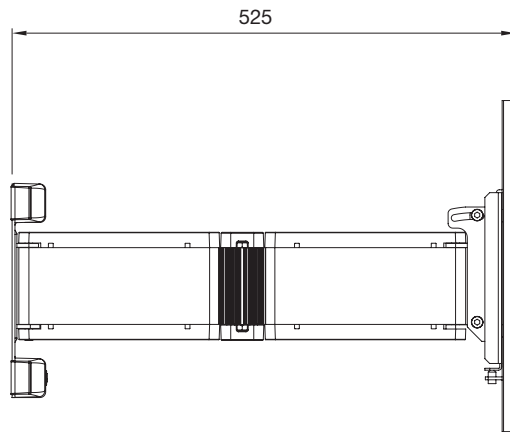

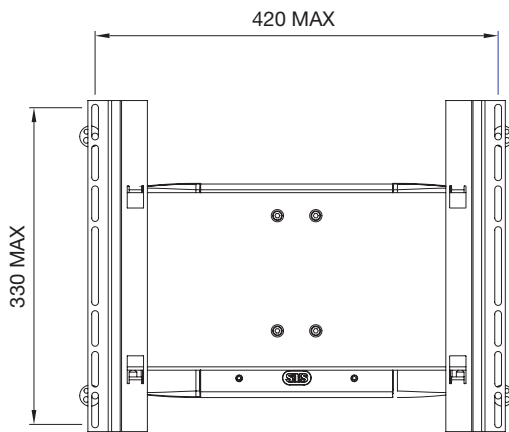

-
- Accommodates screens up to 30 kg
 - Drag&Drop
 - Strong and safe
 - Near wall or approx. 1/2 metres out

SMS AERO 3D MEDI

SMS Aero 3D MEDI is a elegant, strong and clever wall stand which, with its unique tilt and Drag&Drop feature, positions your screen so that you can see it no matter where you are in the room. No tools required! Suitable for both home and office.
