

**1 Intuitive colour touch screen**  
The extra large 25.9-cm (10.2-inch) colour touch screen allows you to operate your MFP with ease through intuitive navigation and easy access to workflow solutions and shortcuts.

**2 Lexmark solutions**  
Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

**3 Direct USB**  
The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with most printable image file formats.

**4 Flexible input capacity**  
Choose the configuration that best fits your needs, up to a maximum of 5,140 sheets.

**5 Exceptional media handling**  
Ultra-reliable paper feeding lets you load up to six different media types, including banner support up to 120 cm and weights up to 300 gsm.

**6 Advanced finishing options**  
Easily create professional output in-house with flexible finishing options, including multi-position stapling, hole punch, expanded output stacking and booklet capability.

## Features that help you optimise your work

### Lexmark XS950de

Power up your office and increase productivity with the Lexmark XS950de, featuring high-performance A3 colour functionality, flexible features, easy-to-use workflow solutions and advanced security.

- Lexmark Colour Care Technology to manage colour use and control costs.
- Create professional collateral materials ranging from saddle stitch booklets to folded brochures on media up to A3 (tabloid).
- Extra large, easy to navigate 25.9 cm (10.2-inch) colour touch screen provides audible and tactile feedback to make completing tasks intuitive.
- Preloaded applications help you drive greater efficiency in your workflow.
- Robust connectivity makes it easy to integrate into almost any network environment.

<b>Weight (kg)</b>	116.0 kg
<b>Specified Operating Environment</b>	Altitude: 0 - 2500 Meters (8,200 Feet), Temperature: 10 to 32°C (50 to 90°F), Humidity: 15 to 85% Relative Humidity

### Environmental commitment

Lexmark believes that the environment is a critical component of responsible business management and clearly demonstrates it by implementing the "4R" strategy: Reduce, Recover, Reuse and Recycle. To learn more about these programmes please visit [www.lexmark.com/recycle](http://www.lexmark.com/recycle).

### Cost saving and environmental features

- Duplex models are Energy Star compliant.
- Duplex printing, print and hold, multi-up and support of recycled paper help reduce paper consumption.
- Eco-Mode reduces power consumption and Quiet-Mode reduces noise emission.
- High Yield Print Cartridges and Lexmark Cartridge Collection Program help reduce landfill.

### Recommended Monthly Page Volume

"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

### Maximum Monthly Duty Cycle

"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
