Introduction

HP's Standard Duty Cash Drawer provides excellent performance and reliability to meet the needs of today's retailers. Durable steel construction, compact footprint and dual media slots make this a great solution for retail and hospitality environments where a quality cash drawer solution is desired at a competitive price.

Key Features and Benefits

- Space-saving design to maximize space constrained environments at the point-of-sale
 - Dual media slots provide additional storage beneath the till
 - 3-position lock offers retailers the option to operate in locked open, online position or manually
 - HP Retail Printer interface cable for easy connection to an HP Retail Printer (QT457AA)
 - USB interface cable for easy connection to HP Retail Systems (E8E45AA)
-

Compatibility

The HP Standard Duty Cash Drawer is compatible with HP Retail Systems and HP Retail printers. The Standard Cash Drawer (QT457AA) connects to the Retail Systems via the provided interface cable through an HP Receipt printer. The **USB** Cash Drawer (E8E45AA) connects directly to the Retail System through the USB 2.0 port.

NOTE: Not all HP Retail System models or HP Retail Printer models are available in all regions. Check with your HP Partner or Sales Representative for more information. Third party printer models may require a 3rd party interface cable to operate with the HP Standard Duty Cash Drawer.
