

# ASUS Chromebook Flip C214

Flip, explore, and learn!

11.6" For Education | Family

## A ruggedized and 360°-flippable laptop for education

ASUS Chromebook Flip C214 is built to deliver an innovative and inspirational learning experience. As well as a versatile touchscreen display and a built-in stylus, there's also a 360°hinge and a world-facing camera. ASUS Chromebook Flip C214 has classroom-ready durability to reassure teachers and students alike, with an all-round rubber bumper, spill-resistant keyboard and ultratough hinge. With its school day-long battery life and time-saving, easy-to-service modular construction, ASUS Chromebook Flip C214 is ready for anything!

## Ready for action

Classrooms can be tough, but ASUS Chromebook Flip C214 is tougher! Built to surpass demanding military-grade MIL-STD-810G durability standards, it's also torture-tested to pass stringent ASUS quality tests.

**120cm drop-resistant** to mimics desk accident

**50,000 open-and-closed** cycles hinge tests

**30kg force** on lid and bottom without display damage

**5,000 times I/O port tests** to ensure the durability

## 360° of versatility

The versatile 360° any-position hinge gives you total flexibility when using ASUS Chromebook Flip C214. Open it the full 360° to take a test in tablet mode. Study or mark papers in tent mode. Flip into laptop mode to do a report assignment. It's as flexible as your imagination!

## Handy built-in stylus

ASUS Chromebook Flip C214 includes a precision stylus that helps you get every detail just right when you're drawing, note-taking, or marking up documents. The built-in stylus holder means it's always to hand — and there's less chance of losing it.

## Learning made different

ASUS Chromebook Flip C214 includes a special world-facing camera for use in AR apps. With AR, computer-generated digital objects and worlds can be blended seamlessly with the live world-facing camera view, allowing students to explore and learn in a totally new way.
